

```
half_float::detail  
::atan
```

A diagram illustrating a transformation of a C++ namespace and function name. It consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is gray and contains the text 'half_float::detail' followed by 'atan' on a new line. The right box is white and contains the text 'half_float::detail' followed by 'functions::atan' on a new line. The blue arrow indicates a mapping or transformation from the left state to the right state.

```
half_float::detail  
::functions::atan
```
