

half_float::detail
::log1p

half_float::detail
::log1p

half_float::detail
::functions::log1p

```
graph LR; A["half_float::detail<br>::log1p"] --> C["half_float::detail<br>::functions::log1p"]; B["half_float::detail<br>::log1p"] --> C;
```

The diagram illustrates a mapping or inheritance relationship. On the left, there are two separate boxes, each containing the text 'half_float::detail' followed by '::log1p' on a new line. Blue arrows from both of these boxes point towards a single box on the right. This right-hand box contains the text 'half_float::detail' followed by '::functions::log1p' on a new line. The right-hand box is shaded gray, while the left-hand boxes are white with black borders.
