

half_float::detail
::nexttoward

half_float::detail
::nexttoward

half_float::detail
::functions::nexttoward

```
graph LR; A["half_float::detail<br/>::nexttoward"] --> C["half_float::detail<br/>::functions::nexttoward"]; B["half_float::detail<br/>::nexttoward"] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders, each containing the text 'half_float::detail' on the top line and '::nexttoward' on the bottom line. On the right, there is a single gray box with a black border containing the text 'half_float::detail' on the top line and '::functions::nexttoward' on the bottom line. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating a mapping or relationship between the two 'nexttoward' functions and the 'functions::nexttoward' function.
