

half_float::detail
::logb

```
graph LR; A["half_float::detail  
::logb"] --> B["half_float::detail  
::functions::logb"]; B --> C["half_float::detail  
::functions::exp"]
```

The diagram consists of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'half_float::detail' on the top line and '::logb' on the bottom line. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'half_float::detail' on the top line and '::functions::logb' on the bottom line. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'half_float::detail' on the top line and '::functions::exp' on the bottom line.
