

half_float::detail
::ilogb

```
graph LR; A["half_float::detail  
::ilogb"] --> B["half_float::detail  
::functions::ilogb"]; B --> C["half_float::detail  
::functions::exp"]
```

The diagram consists of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'half_float::detail' on the top line and '::ilogb' on the bottom line. A blue arrow points from the right side of this box to the left side of the second box. The second box in the middle is white with a black border and contains the text 'half_float::detail' on the top line and '::functions::ilogb' on the bottom line. Another blue arrow points from the right side of this box to the left side of the third box. The third box on the right is also white with a black border and contains the text 'half_float::detail' on the top line and '::functions::exp' on the bottom line.
