

half\_float::detail  
::lround

half\_float::detail  
::lround

half\_float::detail  
::functions::lround

```
graph LR; A["half_float::detail<br/>::lround"] --> C["half_float::detail<br/>::functions::lround"]; B["half_float::detail<br/>::lround"] --> C;
```

The diagram illustrates a mapping or inheritance relationship. On the left, there are two separate boxes, each containing the text 'half\_float::detail' followed by '::lround' on a new line. Blue arrows from both of these boxes point towards a single box on the right. This box contains the text 'half\_float::detail' followed by '::functions::lround' on a new line. The box on the right is shaded gray, while the two boxes on the left are white with black borders.
