

half_float::detail
::round

half_float::detail
::round

half_float::detail
::functions::round

```
graph LR; A["half_float::detail<br/>::round"] --> C["half_float::detail<br/>::functions::round"]; B["half_float::detail<br/>::round"] --> C;
```

The diagram illustrates a mapping or inheritance relationship. On the left, there are two separate boxes, each containing the text 'half_float::detail' followed by '::round' on a new line. Blue arrows from the right side of each of these boxes point towards a single, larger box on the right. This box contains the text 'half_float::detail' followed by '::functions::round' on a new line. The box on the right is shaded gray, while the two boxes on the left are white with black borders.
