

half_float::detail
::isunordered

```
graph LR; A["half_float::detail  
::isunordered"] --> B["half_float::detail  
::functions::isunordered"]; B --> C["half_float::detail  
::functions::isnan"]
```

A flow diagram consisting of three rectangular boxes connected by blue arrows. The first box on the left is shaded gray and contains the text 'half_float::detail' followed by '::isunordered' on a new line. A blue arrow points from the right side of this box to the left side of the second box. The second box in the middle is white with a black border and contains the text 'half_float::detail' followed by '::functions::isunordered' on a new line. Another blue arrow points from the right side of the second box to the left side of the third box. The third box on the right is also white with a black border and contains the text 'half_float::detail' followed by '::functions::isnan' on a new line.
