< half, half >::fmax
```

A diagram illustrating a function call. A gray box on the left contains the code `half_float::detail::binary_specialized< half, half >::fmax`. Two blue arrows originate from the right side of this box. The top arrow points to a white box containing `half_float::detail::functions::isnan`. The bottom arrow points to another white box containing `half_float::detail::functions::signbit`.
