

include

```
graph TD; include -- 1 --> lib;
```

A diagram illustrating a relationship between two entities. At the top, a light blue rectangular box with a black border contains the text "include". A blue arrow points vertically downwards from the bottom center of this box to the top center of a second box below it. To the right of the arrow, near its midpoint, is a small blue number "1". The second box is also light blue with a black border, but it is additionally outlined with a thick red border. It contains the text "lib".
