

```
half_float::detail  
::enable< T, typename,  
typename, typename >
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'half\_float::detail ::enable< T, typename, typename, typename >'. The bottom box is gray with a black border and contains the text 'half\_float::detail ::result< half, half >'. A blue arrow points vertically from the top of the gray box to the bottom of the white box, indicating that the gray box represents a specialization of the white box.

```
half_float::detail  
::result< half, half >
```
